

Well Child Policy

For the safety + wellness of all, children who show signs of sickness will not be allowed into the Passion Kid's environment. We require that children be fever-free for 24 hours (without the use of fever-reducing medications) before entering Passion Kids. This is for the health and protection of all children, families, and Door Holders. You are encouraged to bring your child back to us as soon as he or she is well. If an illness is discovered after a child is in the environment, your child will be separated from the other children and a member of our Staff Team will contact you.

We ask that you worship with us online if your child is experiencing any of the following symptoms:

- Fever
- Vomiting
- Diarrhea (even if associated with teething or medication)
- Any symptoms of childhood diseases such as scarlet fever, German measles, mumps, chicken pox, strep throat, flu, or any other contagious or infectious disease
- Common cold from onset through one week
- Sore Throat
- Croup
- Junky or barky cough, phlegm-filled or productive cough
- Any contagious or unexplained rash
- Pink eye or other eye infections
- Lice
- Cloudy or green runny noses or persistent cough
- Any communicable disease

In addition to those mentioned above, we also ask that you stay home and worship with us online for the following circumstances:

- In addition to those mentioned above, we also ask that you stay home and worship with us online for the following circumstances:
- If you or a family member have experienced any COVID symptoms in the past 48 hours.
- If you have been in contact with someone who has tested positive or you have personally tested positive for COVID in the past 14 days.
